Dear Parents and Carers,

Re Consultation to Convert to Academy Status – Conclusion of Consultation

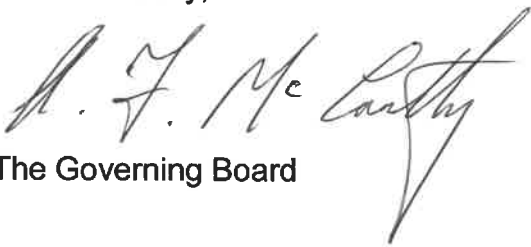

We wrote to you in October of last year about the School's proposal to convert to academy status and join The Good Shepherd Catholic Trust on 1st September 2019. We are grateful to all those who engaged with this consultation.

A great deal of information has been shared and as well as this, many informal discussions have taken place. We met formally with parents in the Autumn term and again just before the Easter holidays. We believe a very thorough airing of views has taken place.

Details of the proposal and all FAQs are available on the School's website and will remain there for the time being.

The formal consultation stage has now concluded and Governors will be meeting shortly to consider the consultation responses. We will keep you informed of any decisions the Governors make.

Yours faithfully,

The Governing Board
